

ENGINEERING FUNDAMENTALS W/ LEGO 'S

FOR: Grades 1 - 3

DAYS: Tuesdays, Sept. 29, Oct. 6, 13, 20, 27 and Nov. 3 (in Shared Space)

TIME: 3:00 – 4:45 p.m. (Bring snack to eat for first 15 mins.)

Play-Well TEKnologies provides project-based programs designed to teach principles and methods of engineering, architecture, and science to grades K – 8th, utilizing LEGO™ and other building systems. We strive to build problem-solving skills, provide an opportunity for creative expression, foster a greater appreciation of how things work, and encourage the qualities of inquisitiveness, self-reliance, and self-confidence in children. We do this in the context of fun-filled engineering and architectural projects that both the children and our instructors enjoy! (This class is not affiliated with the LEGO Group.)

Projects are dismantled after each class, but parents and cameras are welcome to record what's built!!

CLASS FEE: \$78

NUMBER OF SESSIONS: 6

MINIMUM: 11 STUDENTS

MAXIMUM: 16 – 20 STUDENTS

Register promptly by taking this form to the office w/ a check to **Thoreau PTA**.
